Our vision is to build a purposefully designed facility that fits within the community to support a year round Reggio inspired preschool for children ages 3 to 5. The program will offer a premier alternative early childhood education program for families within the Meridian Kessler community.

- Hours of Operation: M - F, 7:30am - 6:00pm
- Maximum Enrollment - 32 children
- 8:1 Student to Teacher Ratio
- Maximum Employees - 4 Full-time & 2 Part-time
- No bus service provided. Parent drop off & pick-up.
- Closed recognized holidays.
- Targeted Opening - Fall 2017

The Sapling School will feature a natural sensory outdoor play space along the east side with activities such as chimes, sandpits and natural exploration areas. Natural play contributes to the overall physical, cognitive, and emotional development of children, helps them score higher on tests for concentration and self-discipline, helps them experience more diverse play, and helps them exhibit less aggressive behavior, strive toward advanced motor fitness, and become healthier.
